Mobile and Online Banking

Our mobile app and online banking can also provide many services you may need. If you do not currently have these services, feel free to contact any of our branches to get this set up for you.

Preventative Measures

We have implemented additional health and safety measures as a precaution for the safety of our customers and employees:

- Commonly touched surfaces are being disinfected frequently.
- Employees have been advised that they are to stay home if they are sick and that they are to wash their hands often.
- We are continually monitoring information published by the Centers for Disease Control and Prevention (CDC), and should additional precautionary measures be needed, we are prepared to take those measures.
- Enhanced risk monitoring and management

First State Bank will continue normal banking operations at all locations.

In the meantime, if you should have additional questions, please reach out to Sandra Lowe, Chief Financial Officer at slowe@fsbrice-tx.com or 972-878-4040, or President/CEO Michael J. Montgomery at mmontgomery@fsbrice-tx.com or via cell 214-802-6866.

Thank you for your patience and partnership, as we work through these challenging times-together.
